

**Celebrate NY Harvest for NY Kids Sept 27-Oct 5, 2003!**  
**(From NYS Ag & Markets)**

There's still time to plan some simple ways to celebrate NY Harvest for NY Kids in your cafeterias!

See <http://www.prideofny.com/Farm2School.html> for resources, posters, ideas, and information. Click on the "Register Here and Tell Us More".

We would like include menus and activities you are planning for your schools in press releases on NY Harvest for NY Kids. Please email Cher Barclay at NYS Department of Ag & Markets - [cher.barclay@agmkt.state.ny.us](mailto:cher.barclay@agmkt.state.ny.us)

- \* Ask teachers to have students make collages and posters about their favorite NY foods -- decorate the cafeteria!
- \* Request NY-grown from your produce suppliers. It's been a glorious growing season for New York fruits and vegetables, with an abundance of apples, peaches, plums, pears, potatoes, tomatoes, peppers, cabbage, broccoli, cauliflower, squash.
- \* NY milk, cheese, ice cream, apple cider, grape juice, and many other NY foods are available, too. Tell your suppliers to check the Pride of NY <http://www.prideofny.com> to find NY growers and food companies.
- \* Contact Glenda Neff [glenda\\_neff@juno.com](mailto:glenda_neff@juno.com) ph: 315-255-6958 for ideas and to connect with agricultural and community groups in your area who can help plan activities.
- \* Take pictures, keep copies of menus and documentation to submit for the NYSSFSA - NY Farms! Partnership Award.
